**INTRODUCTION**

This index of names from the population schedule for the 1885 Census of the Territory of New Mexico is primarily based upon the microfilm copy of the census schedules on file with the United States National Archives and Records Administration (“NARA”), in Washington, D.C. A history of the 1885 census is included in the NARA pamphlet describing NARA microfilm series number M846 and which is reprinted in the Bernalillo County volume for this index project. *See also*, Mark B.
